

GLORY

(paroles : Denis Honorez – musique : Yasmina di Meo)

Credo in unum Deum, Patrem omnipotentem

1/ Breath, just smell the colour, breath
See, we're far from hell, just see
And hear, no screaming pain, just hear
My faith is in the air for His glory

2/ Smile, my son and daughter, smile
Fears, are gone forever, past
And roses, promised land, for love
My faith is in the air for His glory
My faith is in the air for His glory

Credo in unum Deum, Patrem omnipotentem

3/ Here, we can believe, from now
Here, we make it happen, home
And turn, the waltzing chance will turn
My faith is in the air for His glory

4/ Stay, just for another day
Hold, my hand in yours, just hold
And dream, it could be real from now
My faith is in the air for His glory
My faith is in the air for His glory

Credo in unum Deum, Patrem omnipotentem
