

Hand in hand

(paroles et musique : Yasmina di Meo)

1/ Take my thoughts...
Cannot think anymore,
Take my brain...
Take my time...
Giving up in your hands
Day by day...

Lord... Every minute seems so scary...
Like a child Lord... Everything seems too high for me...
Take it all Lord...
This is the gift of my whole life...
I don't need to know...
Don't need any plan on my mind...
Nothing but...

REFRAIN : Na na na... Na na na... Hand in hand yeah... With you...
Na na na... Na na na... Hand in hand yeah...

2/ Take my folders...
Giving up all my fights
On your shoulders...
Meet them all for me,
Take my voice, take my words,
Sing for me...

Lord... I don't want to steer anymore...
Want to let it go... Let it fly above all my doors...
Under your control...
It belongs to me anymore...
Like a child, Lord...
I'm not anymore on my own...
Singing...

REFRAIN : Na na na... Na na na... Hand in hand yeah... With you...
(The Lord has promised me... Hand in hand... Hand in hand)
Na na na... Na na na... Hand in hand yeah...
(The Lord has promised me... Hand in hand... Hand in hand)

Lord... I don't want to fight anymore,
Want to let it go...
I don't wanna care, it's all yours...
Singing...
